Need Water Damage Restoration Services in the Sunset, UT Area?

Flood damage from heavy rains, a burst pipe, or another water source can be a nightmare. Call our water damage restoration company immediately at (801) 416-2666 to start the cleanup process.

Utah Flood Cleanup will inspect your property, provide water cleanup and removal, and start the drying process. Once the moisture has been dried out, we begin the property rehab process. And remember: Our inspections are FREE on insurance-covered flood incidents.

Does Your Property Have Mold Damage?

Mold damage restoration is needed as quickly as it's discovered, whether the mold was caused by a major flood or a moisture problem that just went unnoticed over time. Mold presents a health hazard, and it will spread quickly if it is not dealt with properly, which can even lead to structural damage over time.

Our mold damage restoration team at Utah Flood Cleanup will provide an inspection and remove every trace of mold from your Sunset Utah property.

Do You Need Sewage Cleanup Services for Your Home or Business?

Utah Flood Cleanup can safely remove gray water, black water, or clean water from a sewer backup in your home or business. A sewer backup required water cleanup from a professional restoration water damage company in Sunset, UT. We also ensure that all property infected by a backed-up sewer, including furniture and bedding, is correctly treated.

As a Sunset disaster restoration company, our goal is to give you peace of mind that your home or business will be clean and safe when you return.

Did a Fire Damage Your Home or Business?

Fire damage restoration includes cleaning up the soot and smoke damage in a property and dealing with water damage from putting the fire out. Our first task is a thorough inspection of your property to give you an estimate on the cost and timeline of fire damage restoration and repairs.

We provide fire cleanup and then remove damaged drywall and flooring before replacing it. We want your home to be safe and fully restored when you move back in.
